Clear Mountain Bank Breaks Ground For New Oakland Office

Bruceton Mills, W.Va., November 19, 2010 – Clear Mountain Bank staff and board members, supporters, and local officials broke ground last Thursday for the construction of a new banking office on Garrett Highway in Oakland.

Brian F. Thomas, president and CEO of Clear Mountain Bank, is happy that the bank is expanding into a new, larger office. “We’re excited to officially break ground on our new Oakland office,” said Thomas. “Our new facility will provide more convenience and improved access for our customers.”

Clear Mountain Bank’s new office will provide a full array of financial services for both personal and business banking, including checking, savings, loan, credit card and investment products. Four drive-thru lanes, a 24-hour ATM and safe deposit boxes will also be available.

The facility will include 10,000 square feet of space on two stories, with an expanded customer service area, five banking offices, and five teller windows. The building features extensive stone and glass throughout, a fireplace, and a community conference room located on the second floor. The new location also offers additional parking and more convenient access for customers.

The new office will be located at 12730 Garrett Highway in Oakland. Upon completion, it will replace Clear Mountain Bank’s current Oakland office located at 12599 Garrett Highway. Construction of the new office is expected to be completed in September of 2011.
