Clear Mountain Bank to offer free Mortgage Refinancing Consultations

Bruceton Mills, WV, August 3, 2010 – Clear Mountain Bank will offer free mortgage refinancing consultations to consumers on Wednesday, August 11th at its Sabraton office, and Thursday, August 12th at its Bruceton Mills office.

Refinance experts from Clear Mountain Bank will review consumers' current mortgages and help them determine whether or not refinancing would be beneficial. Mortgage rates are currently at all-time lows, meaning many consumers could save substantially by refinancing, bank officials said.

Freddie Mac recently reported that mortgage rates had dropped to the lowest level since the company started tracking mortgage rate data in 1971.

Consultations are available between 9:00am and 7:00pm on both dates. Telephone consultations are also available. Consumers can call (304) 777-4449 for more information and to schedule an appointment.
